And the King said let there be new wharves, and it was so, because he has had the wisdom to carry out the policy of his predecessors.

ST. LOUIS BEER

Will be served ON DRAUGHT

Hawaiian Hotel.

To meet the times and competition, it will be furnished at

12 1-2 cts. Per Glass

We quote from letter of the Anheuser-Busch Brewing Association, dated August 8th:

'Your bonorable firm having represented us for so many years we believe it useless to call your attention to the merits of our article, but we should like to repeat again and call your attention to the fact that ours is THE ONLY PURE BARLEY MALT BEER MANUFA TURED, and corn cerealine and other adulterants as well as acids, for the preservation of beer, are unknown in our establishment. With the above you may go before the public in the above you may go before the public our name."

No enconium of ours can add to the high reputation of Anheuser Beer. Its introduction in any and every market makes it an immediate favorite. It stands without a peer, without a rival, without even a competitor. It received the highest awards at the Columbian Exposition. The reduction of the draught Beer to the prevailing price of

121 CENTS PER GLASS,

places it within the reach of all, and he is a wise man who gets the best quality for the least money.

FOR THE SEASON

The Celebrated Thoroughbred Stallion

Keeping constantly at it, in bringing fresh goods out to the sunlight is what draws the crowds of buyers to our store. We always have something new and serviceable to show themand they generally buy.

We have another supply of the celebrated Premier egg cup, in which eggs are cooked and served at table. The annoyance of scorched fingers in opening eggs is avoided, the annoyance of getting aged and decrepit eggs in your glass is reduced to nil.

Gentlemen dislike trousers baggy at the knee as much as a lady abhors a last year's hat. The way to avoid having baggy trousers is to use a trouser stretcher at night, and they are perfect in the morning.

Any old thing will kill roaches but the best article is the patent roach trap we sell. You've been waiting for them!

Another convenient article is the combination kitchen fork, on the end of which is a hook for removing the pot lids, twenty cents takes one.

We have cups and saucers at a dollar a dozen-we have genuine English decorated Coalport ware, cups and saucers, for after dinner coffee, tea or chocolate, from 75 cents to \$5.80 each. These are beauties.

The Silver white flame oil range is a marvel and it sells for \$7. We would like you to examine this.
